

## **SETTLING IN POLICY**

The Nursery Staff will work in partnership with parents/carers to settle the child into the Nursery environment. Once a child has a definite place at St. Andrew's Montessori, arrangements will be made for the child to visit in order to familiarise himself/herself with the environment and the staff and to meet other new children.

During the first few days or weeks, parents/carers can stay with the child for sufficient time so that the child feels settled and the parent/carer feels comfortable about leaving him/her. This arrangement will vary from child to child. For the first few days or weeks the parent/carer may collect the child early if they so wish.

The teacher will be responsible for informing the parent/carer of the child's progress in settling in and the parent/carer will be encouraged to talk of any difficulties they may have.
